

Myriad® Inline Banner Stand

Ultra Lightweight Inline Display

exhibiting solutions

Myriad® – Designed for Impact, Flexibility and Merchandising

Myriad® gives you a full inline display with just two lightweight banner stand units. Myriad's center banner adds graphic area with little additional weight and no extra hardware. Myriad's built-in merchandising system combines the ability to display product or literature with the ease and convenience of a banner stand.

Center banner connects between two Myriad units and is available in flat or arched designs.

Durable nylon case has compartments and accessory trays to protect components during shipping and storage.
